

Writing Pedagogy

CHANGE

INNOVATION

The original text is adapted by the children. The children will make the changes to their story map and rehearse retelling their innovated story/text, orally. The children then write out this story/text in manageable sections.

INVENTION

Children use all the skills that they have learnt in the unit to write an independent piece of writing. Their freedom is to use as little or as much of the shared text as they want to write independently

Review and Assess

Children will use success criteria to edit and redraft before publishing their final piece of writing.

Hook

The engaging start to a unit of work that aims to capture the children's interest, curiosity, and enthusiasm for the topic and the writing to come.

Imitation

A text is introduced and read to the children, together the class learn to tell the story/text. they use a visual story map, actions and lively expressions.
